REMARKS

Professional extensible H07: With its highly resistant H07RN-F, 3G2.5mm2 cable, it allows charging different electronic devices at the same time thanks to its 3 schuko sockets protected with a cover. IP55: Suitable for indoor and outdoor use. Protected against dust deposits and water jets from any angle. Ideal for indoor areas or outdoor places with limited exposure to water. Surge protection: It has a system to prevent overheating and includes a reset function. Extension of power sockets: Thanks to its 3G2.5 cable of 30m, you can connect all those devices that are further away from wall sockets. ON/OFF switch: To turn off all sockets simultaneously and avoid extra or unnecessary energy consumption.
