

Spotlight 740.00 Rail 3000 K Flood Black

REF. 74000038-383

BASIC INFORMATION

DESCRIPTION

The Spotlight 740.00 Rail 3000K Flood Black stands out, especially for two reasons. In first because it is a spotlight with a type flood optics, which allows you to have an angle of opening the light beam greater than other spotlights that have a optics type spot.

In, it also stands out for its stylish black colour with textured paint and an aluminium body in high quality that guarantees its durability for a long time in perfect condition. Something to which it contributes without a doubt, which has a L70 30,000 hours at 25 degrees, a number of hours very high that allows you to enjoy the spotlight during time undefined.

A level of power we are looking at a spotlight that, like other 740 of the range of Simon, with a power of 30 W that allows you to send to 2620 lm, a quantity (QTY.) very interesting and top to other spotlights of the same range. Not to mention that has a colour temperature of 3000 K that allows you to send a warm white light of the most cosy and ideal for all types of commercial of side to the public and restaurants or commercial premises.
