Double rocker for blinds mechanism without security latching champagne Simon 82

REF. **82029-34**

BASIC INFORMATION

DESCRIPTION

Double rocker for blind mechanism without latching of security in champagne colour belonging to the Simon 82 series, since there are 6 different finishes to choose from, it is recommended to choose a frame that is the same baseboard colour as the rocker selected. In this way, a better result will be obtained. The piece measures 55x55 mm and is made of galvanized thermoplastic, in compliance with the current regulation. It comes in individual packs and is suitable for surface and flush mounting. There is a technical information manual that can be consulted in case of doubt about its installation. The rocker, it also has an engraving of the up, down and down blinds that facilitates its operation. Its maintenance does not require very specific care. Simply clean the rocker with a soft, dry cloth and avoid using cleaning products that are abrasive and contain chlorine, as it could be damaged.
