REF. 31753-30

BASIC INFORMATION

DESCRIPTION

Designed for one element, we find this surface-mounted box of the Simon 31 series and is presented in a beautiful white colour, it is a product suitable for installation in the bottom of the rooms. With dimensions of 36,5 millimetres of depth and 86 x 86 millimetres surface-mounted, allows the user to locate her both vertically and horizontally, according to the needs, which increases its functionality. This low surface-mounted box is also very discreet, due to its small size, and has capacity for one element. It also has the added that its classic colour white the will go unnoticed at any location. The material used in its manufacture is thermoplastic, which makes it to withstand much better temperature, increasing the security of the device. The low box Simon 31 combines the effectiveness with the discretion, so it is one of the most popular options by our customers.
