

Cover for gloss white HDMI connector Simon 100

REF. 10001094-130

BASIC INFORMATION

DESCRIPTION

The Simon 100 collection effectively combines the digital world with the physical world, at home and in professional spaces. Simon is thus switching to the digital train to offer his users the very latest technologies in assembly and design. Whenever you use new formats and we have to adapt to new technologies. This is why Simon offers us this protection for HDMI connector from the 100 collection, an essential in the digital age. Made of polymer with a thermoplastic backing color, finished in white quartz effect and suitable for flush mounting, makes this cover a must have in our homes and workplaces. The Simon 100 collection makes a big difference in homes and professional environments thanks to its simplicity, functionality and simple, understated design, like never before.
