RJ45 connector IT AMP® category 6 UTP with adapter Simon 100

REF. **10000560-039**

BASIC INFORMATION

DESCRIPTION

From the wide range of Simon 100 series products, we are looking for one of the best HDMI V1.4 Type A connectors and one contact. It consists of a female-female connection and insertion system, for its installation. The material with which it was manufactured is a metal plug with thermoplastic insulation, halogen-free. It operates at optimum performance between 5 and 40 ° C, being able to withstand extreme temperatures. The connector complies with all security systems according to current regulations and fulfills its function perfectly because it has the experience of a solid brand specialized in the sector.
