3xRCA connectors female-female with incorporated plate and patch cords black Simon 400

REF. **40001193-038**

BASIC INFORMATION

DESCRIPTION

This is connectors 3 x RCA female-female with patch cord and built-in plate finished in black colour of the series Simon 400. A piece of great durability and resistance to the temperature changes extreme, because it maintains a correct operation between -5 and + 60 ° Centigrade. Simon is a Spanish company which dedicated many resources to offer technological solutions to a company increasingly demanding. Today spaces changing and evolving depending on our technological needs. Thanks to this connector we will be able to connect our television and other devices in a simple way and functional. It has three inputs differentiated by color, the yellow represents the input for video compound, while the red and white are for the stereo audio. The maintenance of this piece is really simple, simply use a soft, dry cloth so we will keep it as the first day, it is advisable to avoid abrasive products containing chlorine.
