

Interchangeable case for 1 half element American frame arctic black Simon 27 Play

REF. 2700651-086

BASIC INFORMATION

DESCRIPTION

A black colour Arctic, the interchangeable cover for American frame of 1 element of the Simon 27 Play collection, is integrated in spaces with modern and clean lines, in which the decoration takes a certain prominence. With a size of 86 x 125 mm, it consists of 1 module with a capacity of 1 to 4 half elements, composite materials of thermoplastic painted for greater security against possible to a fire. Within the range Arctic, this sleeve in black is designed for a flush installation that is findings with the space and, in addition, with the versatility of being able to arrange both horizontally and vertically, to facilitate its integration into any type of room and decorative styles. For Simon 27 Play, functionality and innovation go on consonance with the design so that, in order to enhance the arctic black of the case, recommended to combine it with covers and rockers in graphite.
