Trim plate for 2 RCA connectors (stereo audio) for 1 element black Simon K45

REF. **K101/14**

BASIC INFORMATION

DESCRIPTION

This trim plate of the series Simon K45, it is designed for two connectors class RCA (stereo audio). It is very modern appearance, as it is committed to a beautiful finished in black colour grey. Includes housings for fastening connectors through a simple system with a rear screw. The connectors must buy separately. This is the individual version of the plate, for two or three RCA connectors with screw terminal connection. As far as the installation is concerned, it allows the installation in surface-mounted or recessed and measures 45 x 22.5 x 8.5 millimetres. The trim plate in grey Simon K45 black, it is manufactured with thermoplastic components, free of all types of halogens. In this way, prevent the propagation of a fire, if you create any flame. However, the material is very safe and supports high temperatures, so that the fire is very improbable. Also, a feature is important that, if any smoke, the toxicity would be non-existent.
