

Modular signal socket R / TV + SAT intermediate Simon 100

REF. 10000468-039

BASIC INFORMATION

DESCRIPTION

With the final modular signal socket for R-TV + SAT inductive sockets from the Simon 100 collection, you will benefit from maximum connection quality to enjoy the functionality and innovative features of this range. Designed for flush installation, with screw connection insert operation, which ensures the integration of the product in any space. With a total of 2 connectors, it is made of metal materials with halogen-free insulated thermoplastic, which prevent flame spread and smoke toxicity in the event of a fire, and allows you to reach a temperature range of 5 to 40 °C and maximum temperatures of -25 to 50 °C. Innovation, functionality and guarantee of the highest quality of its R-TV and SAT televisions thanks to the final modular signal socket of the Simon 100.
