IP66 accessory for plug connection with closed lid with IP54 protection for 2 Simon K45 mechanisms

REF. **KFA2001**

BASIC INFORMATION

DESCRIPTION

Ensure superior protection in your installations with our new Plug connection accessory with a closed cover. This complement allows you to keep the connection active while maintaining an IP54 rating in the installation, being suitable for all frames of the new IP66 floor box range. Ideal for applications that require a longer connection duration, its design guarantees quick and simple installation. Trust our accessory to maintain the integrity and safety of your connections at all times.
