Cover with safety device for two-pole socket outlet aluminium Simon 73 Loft

REF. **73040-63**

BASIC INFORMATION

DESCRIPTION

Cover finished in aluminium colour (even if it is available in 3 different finishes and it is always recommended to choose the frame in the same colour as the selected cover), of the series Simon 73 Loft, with safety device for two-pole socket-outlet. Its dimensions are 55x55 mm and is made of thermoplastic, a material that is very easy to clean, as you just need to wipe it with a soft cloth and slightly moistened in soapy water, without resorting to the never use cloths or abrasive cleaners that contain chlorine in their formulation, as they could damage it and make it does not fulfill its function perfectly. This cover can be position, place, perfectly, in places with a temperature located between 5 and 40ºC, although it can withstand extreme temperatures of -25 to 50ºC, approximately. The series Simon 73 Loft is a series that adapts to new trends in decoration for spaces that require surface-mounted installations and maintaining a high level of integration appearance.
