

Frame for 3 half elements with centre frame for American box white Simon 27

REF. 27613-64

BASIC INFORMATION

DESCRIPTION

It is setting a trend. And no less. Two standard finishes (white and ivory) from which to form a multitude of designs. Just with a click, your frame design will change to one or the other as you like. This is what the Simon 27 Play Series products do. Here you have one more option: A frame for 3 half elements in colour and with white frame-holder for American box, it is recommended to combine with rockers and covers, white colour, this frame is to be recessed. When cleaning, it is important that you acuerdes to avoid any type of abrasive cleaners with chlorine. With only soapy water soaked in a soft cloth, it is enough to keep it in good condition for a very long time. Get here at the best price all the frames and interchangeable covers of the Simon 27 Play series.
