

Interchangeable case for 3 half elements American frame pistachio Simon 27 Play

REF. 2700653-065

BASIC INFORMATION

DESCRIPTION

With a fun and striking pistachio colour, the interchangeable sleeve from the Simon 27 Play collection brings a ambience creative that adapts to the needs aesthetics of any room. Designed for American frame of three half elements (1 element + 1 half element), has a size of 86 x 125 mm in Simon is available with capacity for absurd 1,2,3 and up to 4 half elements. It is composed of thermoplastic materials to offer greater protection to the room in case of fire. Its installation is designed to be recessed with the possibility of having frame and interchangeable both vertically and horizontally, for an optimal adapting the design in the reduced space and in the decoration and the ambience appearance of the room. If you want this fun pistachio colour overhang on the background, Simon 27 Play recommended to combine it with cover and rockers in white.
