

Spotlight 740.01 Rail 4000K Spot DALI Black

REF. 74001338-284

BASIC INFORMATION

DESCRIPTION

The 740.01 Rail Spotlight 4000 K Spot DALI Black is a particular spotlight, which stands out for offering a emission of 1830 lumens for its 20W of power, a number for a very high spotlight of these features. All this means that it has a lighting efficiency that reaches the 91,5, perhaps the most high that can be found in any spotlight on the market.

Account with an installation of type rail, which means that its installation is quick and easy to install in any type of space. In terms of the type of the light it emits light, is a white neutral type that is very attractive, something that is possible thanks to its 4000 K of colour temperature. In terms of its IP rating, has a number of 20.; this makes clear the need to keep the spotlight out of any area with water / liquids.

Its optics are of the Spot category, which allows the angle of opening the light beam is 15 degrees. As innovation the spotlight incorporates the DALI dimming system, which makes it possible to the personalization of certain parameters of the spotlight, according to the needs you have at all times.
