

Interchangeable case for 4 elements frame arctic aubergine Simon 27 Play

REF. 2700647-085

BASIC INFORMATION

DESCRIPTION

A personalization system offering the best possible match with the finishes, interchangeable cover for frame compatible with four elements with arctic aubergine finish of the Simon 27 Play series. In this case the interchangeable sleeve belongs to the arctic range, but you can choose from three others that are: Colour, metal and extreme. To change the picture of the frame, simply click on the interchangeable sleeve on top of the frame to completely change the design. Enjoy decorating with the Simon 27 Play collection, a revolutionary concept that allows you to take the reins when it comes to redecorating the spaces of your home, mix the interchangeable sleeves with the different frames in two finishes available from the series to achieve a perfect balance between the sobriety of form and harmony of colour. Also, keep benefiting from all the electronic features of the collection.
