PVC mini-trunking of 2m 10x22 with 1 compartment

REF. **TM1022/9**

BASIC INFORMATION

DESCRIPTION

Our 2-meter Mini Trunking is a robust and efficient solution for cable distribution in electrical projects. Made of high-quality PVC, it meets safety standards by being flame non-propagating. With reduced dimensions and an internal compartment, it allows for effective organization of wiring in limited spaces. Additionally, we offer a variety of accessories to adapt it to different architectures. With a protection rating of IP4X and IK07, we guarantee a high level of safety in your electrical installations. The indicated price is per meter and is supplied in lots of 48 units (96 meters in total)
