

Adjustable T connector with LH outside earth

REF. 89941030-039

BASIC INFORMATION

DESCRIPTION

Thanks to Simon you can enjoy all the advantages that means having an adequate lighting in the interior of private homes, commercial premises and corporate headquarters. To ensure that nothing fails at the electrical installations in all types of public and private buildings, we have the best ally in the T with LH outdoor left adjustable white in colour. Its installation must be carried out in a 3-phase rail, being carried out in a few minutes in a simple way. This comfortable and fast. This spotlight has been designed in black finish, having a competitive price that is unrivalled in the market today. Moreover, its resistance to knocks, impacts, as well as the deterioration of daily use, make it ideal for spaces with a large, medium and small with great trade and traffic of people throughout the day.
