

## Kit Flash 60 consisting of french-belgian power socket end in Quick-connection connector white Simon 400

REF. 43101002-230

### BASIC INFORMATION

#### DESCRIPTION

Kit based on french-belgian socket-outlet to be installed in furniture with an optional protective cover to allow for closure and conceal connections when not in use. This product is supplied in white finish, assembled and wired with a 20 cm long flexible cable ending in a male quick connect overhead connector of 3 poles type Wieland® GST8i with safety anchoring to facilitate safe connection and disconnection from the power network without the need to interrupt the power supply. The kit is supplied with the internal connections already made. It is only necessary to create the hole in the furniture where the product will be fasten and once done, connect it to the power supply to make it functional.

#### FINISH

White

#### MATERIAL

Plastic

#### ETIM CLASS

EC002759
