

Cover for digital control 2 channels with intercom and display ivory Simon 82 Centralisations

REF. 82552-51

BASIC INFORMATION

DESCRIPTION

Cover of the series Simon 82 Centralisations in ivory colour (although it can be purchased in 3 different finishes), for the digital commandment with 2 channels with inter communicator and display. This cover for 1 element, it can be installed, to perfection, both flush mounted and surface-mounted and its cleaning is very easy to perform, as you just need to wipe it with a soft cloth and slightly moistened in soapy water, without having to use never or abrasive cleaners or cloths containing chlorine. Simon 82 Centralisations is a range of mechanisms that stand out for offering many more electronic functions (centralization of blinds, adjustment of lighting, programming of temperature, timing and clocks and sound) in less space. In addition, another of things that stands out for the Simon 82 Centralisations is because it can be position, place in a multitude of spaces, e.g.: Control stations and / or connection, work stations, kitchens, retail, hotels, restaurants, furnishings and bed headboards, among others.
