# HDMI v1.4 connector for half element graphite Simon 27 Play

REF. **2701094-038**

## BASIC INFORMATION

### DESCRIPTION

HDMI v1.4 connector in graphite colour and belonging to the Simon 27 Play series, it is also available in white and ivory, to choose the one that best matches each space. The connection is of the female-female type and its installation is suitable both to be recessed and to perform in surface-mounted. It is made of metal components with halogen-free insulation and thermoplastic trim. Its size is 22.5 x 45 mm (medium element). Useful information on the maximum length of cabling recommended: 5 metres for category 1 cables and 12 metres for category 2 cables. For more information, refer to the instruction sheet of this product. Avoid abrasive products containing chlorine for cleaning and use a soft cloth moistened in water with soap. By following these tips, the piece will remain in perfect condition with the passage of time.
