Low surface-mount box for 1 element white Simon 31

REF. **31750-30**

BASIC INFORMATION

DESCRIPTION

The low surface-mounted box for an element in white colour, Simon 31 series, is a box of traditional finish and great functionality, its dimensions of 86x86 millimetres and its depth of 36,5 millimetres, make it perfect to install it both vertically and horizontally. The box Simon 31 is designed to be installed in the bottom of the rooms and in the case of need for installing outlets, it is recommended to use a high box. Its colour white makes it perfect for any place of your home or office, and it certainly will be the favorite of those who seek a classic colour as the white, but never goes out of fashion for its easy adaptability to any type of decoration. Also, the product is manufactured with thermoplastic material, giving it more security. The low surface-mounted box, Simon 31 offers multiple possibilities that allow you to combine functionality with the traditional.
