

Frame round for 3 elements white Simon 88

REF. 88630-30

BASIC INFORMATION

DESCRIPTION

Frame of the series Simon 88, square shape and in white finish of colour (although this range of products Simon 88 is available in other finishes and gold, chrome, steel, white and graphite, with a high contrast between gloss and matt.) A of things by the most stands out this series 88 Simon is because it is a a break of the shapes square in the frames for plugs, which give this series strong personality. This frame can be installed both on the surface-mounted as for recessed in rooms with a temperature located between 5 and 40°C, although it can withstand some extreme temperatures of between -25 and 50°C. It measures 100x343mm and is made of thermoset material, which is very easy to clean, as you will only have to use a soft cloth and moistened in soapy water to make it look completely clean and shine.
