

Surface mount box for 3 elements white Simon 82 Detail Original

REF. 8200770-030

BASIC INFORMATION

DESCRIPTION

Do you need more protection and security in your electrical installation? Another surface-mounted box of the Simon 82 Detail series, a surface-mounted box for 3 elements, simple design and white finish, Simon offers boxes for the surface-mounted of your electrical installation at the best price. Ideal for all types of infrastructure, but especially for schools, sports centres, hospitals and all kinds of places where many people pass through or with risk of knocks, robberies and other mishaps. Take advantage of the best features of the new Detail 82 collection of Simon, a collection that thinks about everything that is not, being able to improve our quality even if it doesn't seem so. Such as this product. A collection, the Detail 82 series, inspired by the smallest and most invisible details. We invite you to have a look at this category and find similar products.
