

PLUG WITH FRONT AND SIDE OUTPUT 10A 250V WITH EASY EXTRACTION SYSTEM SIMON

REF. CL912101

BASIC INFORMATION

DESCRIPTION

The extraplanar plug from SIMON with a bicolor finish in white and black is the perfect solution for narrow spaces, as well as for placing behind furniture or appliances. Designed to take up the least possible space, it features a lateral and frontal output of 10A and an easy-pull system to facilitate extraction using its nylon strap. For frontal embonding, unscrew and drill the corresponding tab and connect the wires, while for lateral embonding, you must unscrew, drill the corresponding tab, and connect the two wires.
