

Spotlight 640.10 Flush mount WW CRI 80 Spot White

REF. 64010030-283

BASIC INFORMATION

DESCRIPTION

Category B (Ecorae), 3000k, to be flush mounted and optics Spot, it is ideal for all types of environments, especially for professional environments in which you need a lighting system, such as this one. We talk about exhibitions of all kinds, noble and common areas of buildings or sports centres. Here is one of the reasons for which say that it is so versatile., but also for its functionality, as it has two different colour temperatures to adapt the best way to the context in which it is installed. In addition, it has a weight and small dimensions (100x102 millimetres) that make it even more functional, but for something, it stands out for its LED technology, which allows the maximum performance of the product for many years, without the degradation of colours, or the loss of brightness and intensity. Another product of the highest quality, only the scope of Simon.

APPLICATION

Accent lighting, General lighting
