

Frame for 1 element navy blue interior white Simon 82

REF. 82612-64

BASIC INFORMATION

DESCRIPTION

This is a frame for 1 element in navy blue colour with a white indoor that is part of the Simon 82 series, has dimensions of 89x87 millimetres and is available for 1, 2, 3 and 4 elements. The Simon 82 series stands out for its minimalist design, noble finishes and a wide range of textures. In this case, the both the and the frame are made of thermoplastic baseboard. We find within the range Colour as the frame has a high navy blue finish and the in white baseboard. We recommend the use of rockers and covers with a white finish. The electronic functions of the Simon 82 series are a drawback to highlight if we are talking about reduce costs. An example of this, we can see in the programming of HVAC, as we can save 20% to be able to control the air conditioning by means of the mobile phone and up to 40% to adapt the temperature at times of each one.
