

Plate for background music regulators with musical note symbol white Simon 75

REF. 75055-30

BASIC INFORMATION

DESCRIPTION

Ambience turning the coldest atmosphere into the most welcoming is possible with the installation of music systems. These mechanisms are increasingly common in homes and business premises. Having elements that prevent deterioration will keep them in better condition over time, such as the Plate for the ambient music regulators with engraved musical note in white of the Simon 75 series, your advantages? Its simple installation, being suitable for surface and flush mounting, as well as including musical note grading. Designed to withstand all kinds of temperatures and environments, its easy cleaning is another of the features of this plate for music regulators. Available in six different finishes, this piece has been manufactured with the best materials with thermoplastic components. For this reason, we are faced with a highly demanded piece in all types of private homes, public and private buildings.
