16 AX 250 Vac impulse switch with 1 click ® Simon 100 connection system

REF. **10000211-039**

BASIC INFORMATION

DESCRIPTION

Presentation of push-button switch with 1-click® connection system, individual version with half-element. The item number is 10000211-039 and is part of the Simon 100 series. The product collection is focused on greater usability (it revitalizes spaces to create experiences suitable for every lifestyle) and aesthetics . The ultimate goal is to never stop feeling. You will be able to manage all your mechanisms and switches intuitively, with more sensitivity and comfort.

This switch supports a voltage of 250 volts and an intensity of 16 amps. Installation is simple: just one click and it's ready to use. For maintenance, a minimum of maintenance is required. Clean with a soft cloth dampened with soapy water. We do not recommend the use of abrasive cloths and / or cleaners containing chlorine under any circumstances, as this may damage the finish of the product or even the interior mechanism.
