Halogen-free mini-trunking of 2m 40x60mm with 2 compartments

REF. **TM12052/19**

BASIC INFORMATION

DESCRIPTION

Our 2-meter Mini Trunking is a robust and efficient solution for cable distribution in electrical projects. Made from halogen-free thermoplastic materials, it meets safety standards as it is non-flame propagating in case of fire. With reduced dimensions and two internal compartments, it allows for effective cable organization in limited spaces. Additionally, we offer a variety of accessories to adapt it to different architectures. With an IP4X protection rating and IK07, we guarantee a high level of safety in your electrical installations. The indicated price is per meter and is supplied in batches of 12 units (24 meters in total)
