

## Kit Flash 60 consisting of schuko power socket end in free-end connector black Simon 400

REF. 43101000-138

### BASIC INFORMATION

#### DESCRIPTION

Kit based on schuko socket-outlet to be installed in furniture with an optional protective cover to allow for closure and conceal connections when not in use. This product is supplied in black finish, assembled and wired with a 20 cm long flexible cable terminated with a free end to allow for customization of the connection type (plug, terminal block, etc.). The kit is supplied with the internal connections already made. It is only necessary to create the hole in the furniture where the product will be fasten and once done, connect it to the power supply to make it functional.

#### FINISH

Black

#### MATERIAL

Plastic

#### ETIM CLASS

EC000125
