Plate for inductive R/TV/SAT sockets cold aluminium Simon 82 Detail

REF. **82097-93**

BASIC INFORMATION

DESCRIPTION

Order the plate version for R-TV + SAT inductive sockets with cold aluminium finish that you can find in the category ""rockers and covers"" of the Simon 82 Detail collection, you will have available six different finishes, it is recommended to choose a frame with the same baseboard colour as the selected rocker. It is suitable for surface mounting or flush mounting, so you can choose the method that best suits the needs of your home. The cover includes R-TV and SAT engraving to identify at all times the function it plays the element to be found under it. A distinguished collection, designed to feel a different experience when playing it. Benefit from a collection inspired by everything we cannot see, but that can change your conception of things. Highlighting the details as one of the main factors.
