Voice and data cover with dust cover for 2 gloss white RJ45 connectors Simon 100

REF. **10000006-130**

BASIC INFORMATION

DESCRIPTION

Designed for 2 RJ45 connectors, this voice and data cover with dust cover in white color is present in the Simon 100 series. It combines form and functionality, while preserving the design and optimizing the performance of RJ45 connectors. It makes it easier for people to interact with every element in their home to be the most comfortable, simple and intuitive elements to install and use in your home. The Simon 100 range offers different styles to choose from. You have the choice between three simple, matrix and vertical aesthetics, choose the one that suits you and most importantly which offers everything that the Simon 100 series offers for every corner of your home. Its installation is ready to be recessed or surface mounted, hold in place a well protected RJ45 connection, simple, secure and easy to maintain.
