Kit Flash 60 consisting of USB A+C charger 18W end in Quick-connection connector white Simon 400

REF. **43120200-130**

BASIC INFORMATION

DESCRIPTION

Kit based on USB charger type A+C 18W in white finish to be installed in furniture with an optional protective cover to allow for closure and conceal connections when not in use. This product is supplied in white finish, assembled and wired with a 20 cm long flexible cable ending in a male quick connect overhead connector of 3 poles type Wieland® GST8i with safety anchoring to facilitate safe connection and disconnection from the power network without the need to interrupt the power supply. The kit is supplied with the internal connections already made. It is only necessary to create the hole in the furniture where the product will be fasten and once done, connect it to the power supply to make it functional.
