Single rocker with viewer and bell symbol aluminium Simon 82

REF. **82015-33**

BASIC INFORMATION

DESCRIPTION

Individual rocker with viewer and engraved bell, finished in aluminium colour of the Simon 82 series. With 1 element and has dimensions of 55x55 mm This rocker is suitable both for surface and flush mounting, in places with a temperature of between 5 and 40ºC, although it is able to withstand extreme temperatures of -25 to 50ºC, approximately, making it ideal for any type of climatology. Complies with the regulations UNE-EN 60669-1: 2002 + A1: 2003 + A2: 2009 and is manufactured in thermoplastic, a material very simple cleaning since it will only need to use a soft and dry cloth and not to use abrasive cloths or cleaners containing chlorine, as the rocker may be damaged and does not reach work in the correct way. It is available in 6 finishes and we recommend always to opt for the frame with the same baseboard colour as the rocker selected.

FINISH

Aluminium

MATERIAL

Plastic

PACKAGING CONTENTS

Single rocker and fastening bracket
