

## Spotlight 740.00 Rail 4000K Flood DALI White

REF. 74000330-384

## BASIC INFORMATION

### DESCRIPTION

The 740.00 Rail Spotlight 4000 K Flood DALI White is a Simon spotlight suitable for creating areas of light or organise elements that you want to light on top of other. The DALI dimming system contributes to this offering the possibility of controlling the type or the quantity (QTY.) of the light it emits the spotlight, which helps to customise the lighting of each spotlight individual way.

This spotlight with a colour temperature of 4000 K that allows you to send a light white neutral type very attractive for all types of spaces and restaurants or commercial premises and installations. Its installation of type rail contributes to that its installation is the most quick and easy as possible and long service life of at least 30000 hours at a constant temperature contributes to ensure its durability.

The angle of opening the beam of light in this spotlight 740 of the range of Simon is 27 degrees, something that is possible by using one of type Flood optics. It is also a spotlight a stylish and discreet white colour with textured paint and with an aluminium body with a high thermal design ideal for this type of spotlights.
