

Spotlight 740.01 Rail 4000K Flood DALI White

REF. 74001330-384

BASIC INFORMATION

DESCRIPTION

The 740.01 Rail Spotlight 4000 K Flood DALI White is a spotlight that offers the user a DALI-type dimming system, which allows you to manage some features of the same according to the needs you have, such as the quantity (QTY.) of light. In terms of its installation is simple thanks to the fact that it is an installation of type rail, the most practical in the industry for spotlights.

A spotlight is white in colour with an appearance discreet and professional ideal for all types of spaces.; this is possible thanks to the textured paint used in its manufacture, as well as its high thermal or the aluminium design of high quality with which it has been built its body.; this makes it a spotlight specially resistant, which also contributes to the high service life of the luminaire, which is reached at least the 30000 hours of lighting at a constant temperature.

It is a spotlight with a high lighting efficiency (91,5) and with a colour temperature of 4000 K, which means that the light emitted is white type neutral, very attractive and interesting for all kinds of surfaces, the industry retail or restaurants. Enables us to both the general and accent lighting.

APPLICATION

Accent lighting,General lighting
