

Interchangeable case for 1 half element American frame vintage black sliver Simon 27 Play

REF. 2700651-804

BASIC INFORMATION

DESCRIPTION

Interchangeable cover for American frame of 1 half item vintage black and silver colour of the Simon 27 Play series. The Simon 27 Play series allows you to enjoy decorating, as it presents a revolutionary concept that allows you to take the initiative in redecorating your own spaces. This range is available in two finishes: White and ivory, which achieve a perfect balance between the sobriety of form and harmony of colour. A of things by the most stands out this series of Simon is because it allows you to change the image of a room in a very simple, just by clicking on the frame with any of its available covers. This case it is installed by recessed (both vertically and horizontally) and its dimensions are 86x125mm. Its cleaning is quite simple, as you just need to clean this case with a soft, dry cloth without using any abrasive cleaner containing chlorine.
