

Plate for background music regulators with musical note symbol ivory Simon 82

REF. 82055-31

BASIC INFORMATION

DESCRIPTION

For the ambient music controllers, we present this plate with potentiometer button. It is ivory in colour, it belongs to the Simon 82 series and is manufactured in thermoplastic, it includes a musical note engraving. Its shape is square and its dimensions are 55 x 55 mm your design is integrated into the minimalist style of this series with noble finishes and a wide range of textures. A set of simple lines that draw a super flat profile to give way to a new concept. Simplicity and balance that moves at the pace of the newest trends in the current environment. It must be taken into account that, in order to perform installation correctly, it is necessary to use a universal recessed box or, in its absence, a baseboard surface-mounted. As for the cleanliness of this product, we recommend avoiding abrasive substances that may contain chlorine and using a soft cloth dampened in soapy water.

FINISH
