

TV socket single IEC female with trim plate aluminium Simon K45

REF. K102B/8

BASIC INFORMATION

DESCRIPTION

The series Simon K45 is presented as one of the most complete collections of mechanisms of workplace solutions for professional environments. And not imported the size or the shape of the workplace, since Simon K45 is loaded multiple solutions for any space or ambience. The K45 solutions that offers us, go from Teleblocks, metal enclosures, columns and mini-columns, electrical sockets and plates for voice, data and multimedia or fiber optics... everything you can imagine to create a workplace full and quick and easy. Between the plates for multimedia connections, we find this single socket, female IEC type for TV. It is half an element and has a sober finished in aluminium. It is designed for both surface-mounted and to be recessed and is connected by welding. For this plate is recommended not to use a wire of over 90 metres.
