

Frame for 4 elements matt green without claws and with frame holder Simon 27 Neos

REF. 27774-62

BASIC INFORMATION

DESCRIPTION

Frame designed for 4 elements in matt green colour without claws and with frame-holder. This article is included in the Simon 27 Neos series and is suitable for flush mounting. It is made of thermoplastic material with metal frame-holder in full compliance with the current regulation. It measures 86x306 mm, being suitable for installation both horizontally and vertically. It is recommended to install this part in environments whose temperature ranges between 5 and 40°C, because this way you will have saved to perfection for longer. In terms of maintenance, you can use a soft cloth slightly moistened in soapy water. The Simon 27 Neos series is a collection that focuses on the colour in all spaces. Among its proposals we find parts with matt and glossy finishes, without a doubt, for users of daring spirit that we like to innovate and let take.
