Buzzer 230V~ white Simon 27 Play

REF. **27806-35**

BASIC INFORMATION

DESCRIPTION

230V~ buzzer with snow white finish and screw-terminal connection system, which makes installation much easier. It consists of two modules and is suitable for surface and flush mounting. It measures 45x45 mm and has an acoustic function. The mechanism contains metal parts with halogen-free insulation to provide greater security for people in the home. The trim is made of thermoplastic, it is a product that complies with the regulation and can withstand extreme temperatures. However, it is advisable to place it at a temperature ambience of between 0 and 40º for optimum conservation. It corresponds to the Simon 27 Play series, a collection that proposes a revolutionary concept and whose mechanisms create an ideal atmosphere thanks to its wide range of colours and finishes. The series offers all kinds of solutions for any home, commercial establishment, etc.
