Blind cover aluminium Simon 73 Loft

REF. **73800-63**

BASIC INFORMATION

DESCRIPTION

It is a blind cover finished in aluminium belonging to the series Simon 73 Loft, a collection that stands out for its designs, suitable for all types of environments, this piece is available in 3 finishes. In this line, it is recommended to choose a frame that is the same colour as the cover in question for a more satisfying result. It is made of thermoplastic, a material resistant to extreme temperatures, although the ideal thing is to install it in environments between 5 and 40ºC. This will keep it in an optimal state of conservation. It has dimensions of 55x55 mm and has no engraving. It is also very important to maintain it properly. To do this, you can use a soft cloth slightly moistened in soapy water, avoid, however, abrasive cleaning products containing chlorine. The series Simon 73 Loft is a collection of quick assembly, very safe and careful appearance.
