

Interchangeable case for 3 half elements American frame comic Simon 27 Play

REF. 2700653-800

BASIC INFORMATION

DESCRIPTION

Are you looking for an interchangeable sleeve from the magnificent Simon 27 Play collection? You are in the right place for it. In front of you, you have this interchangeable case for an American frame of 3 media elements in an original comic design. Another interchangeable Simon 27 Play brand and that will allow you to change in a few moments, all the design of these mechanisms in your home or business. Something that is very fashionable because it allows to adapt a design to a situation, to a specific ambience. And multifunctionality is more fashionable than ever. Are you thinking of buying the rocker and / or cover, but not know how to combine both designs? We recommend you to combine with rockers and covers in graphite colour, this product, but they can serve many others and also fit very well. Also, the installation of the frames and these covers is very simple. Always avoid using abrasive cleaners when cleaning.
