

Single rocker with viewer pistachio green Simon 44 Aqua

REF. 4400010-065

BASIC INFORMATION

DESCRIPTION

With an original and intense pistachio green, the single rocker with viewer of the collection, Simon 44 AQUA, offers a style creative at the same time that protects your electrical mechanism from water and dust, ideal for outdoor areas. It also includes a signaling function to beacon the mechanism in situations of a low lighting, and is manufactured with thermoplastic to ensure an effective protection of the room in case of fire. This material allows the mechanism to reach a temperature range of 5 to 40 ° C, with maximum temperatures of -25 to 50 °C. It is available in 3 finishes (grey, red and aluminium) to select the most suitable to the decoration of the environment. However, as this reference only includes rocker trim, requires to replace it with the rockers of the references with frame and rocker included.
