Minimum frame 4 elements gloss black Simon 100

REF. **10001640-138**

BASIC INFORMATION

DESCRIPTION

With elegant black finishes, the minimal frame for 4 elements of the Simon 100 series is designed to be recessed both vertically and horizontally. It measures 84x297mm and made with a thermoplastic grip and PMMA frame that offers an exclusive quartz effect on increasingly elegant black tones. For optimal care of this part, we recommend that you use a cloth soaked in soapy water, always avoiding products containing chlorine in its formulation due to its high corrosivity. You will find all kinds of quality solutions and a simple design in our exclusive Simon 100 series, a series that commemorates the 100 years of a brand that has consolidated itself as a leading company in the sector thanks to its quality and functionality. . If you are looking for functionality and simplicity, this is your collection.

FINISH
