

Spotlight 740.00 Rail 4000K Flood CR90 Black

REF. 74000038-394

BASIC INFORMATION

DESCRIPTION

The 740.00 Rail Spotlight 4000 K Flood CR90 Black has features a very interesting that deserves worth being outstanding. In first, as indicates their own names, is a spotlight, which allows quick and easy installation thanks to the installation of type rail with which it has been manufactured. Not to mention that it has been manufactured in aluminium body of the highest quality, like the rest of the range 740.

Also we highlight the high colour temperature of 4000 K that offers and that allows you to send a light white neutral type that is very interesting on all types of surfaces malls in the sector retail and even in restaurants. In terms of its efficiency this spotlight sends to 2280 lm with a power that reaches the 30 W, a number that makes it possible to illuminate with skill without excess consumption.

Other aspects to be taken into account, with the type flood optics, a type of optics that allows the spotlight to enjoy an angle of opening the light beam, higher; or the colour rendering index (CRI) 90 about 100, a number of the most high that can be found in a spotlight of these features.

APPLICATION

Accent lighting, General lighting
