

Trim frame for 1 element yellow Simon 27

REF. 27958-31

BASIC INFORMATION

DESCRIPTION

The Simon 27 series stands out for its neutral lines design, with a touch of colour, combining perfectly with modern, simple and functional environments, simplicity and functionality are the main features of the Simon 27 series, all the mechanisms of this series support the Simon 27 play appearance, which allows us to change the ambience of a room with a single click. Trim frame for an element belonging to the Simon 27 series, it is made of thermoplastic with a finish in colour yellow. Measures 90x90 millimetres and it is suitable for flush mounting. The direction of the installation of this trim frame can be both vertically and horizontally. We can find this product for 1, 2 and 3 elements. For its maintenance we recommend the use of a cloth slightly moistened in soapy water and avoid the use of abrasive products containing chlorine.
