

Surface/Suspended Luminaire 1600mm On-Off White Microprismatic CRI80 3000K

REF. 86542030-683

BASIC INFORMATION

DESCRIPTION

Linear surface/suspended luminaire of 1,600mm, in white finish with microprismatic optics and excellent CRI>80 color rendering. Also available in black and in a 4000K version. With 60W of power, it delivers a luminous flux of 5.427 lm, ideal for general lighting in offices, retail spaces, corridors, or residential areas requiring uniform, high-quality light. Its On-Off switching system is designed for installations seeking simplicity, reliability, and basic on/off control, without the need for dimming.

Regarding its lifespan, it's worth noting that it reaches 50,000 hours (L70B10), so if kept within an average range of -20°C to +35°C, the fixture should last considerably longer, and in perfect condition. Its dimensions are 1685x50x75mm, made of aluminum with IP40 protection, suitable for indoor use.

This product has the following reference number: 86542030-683. Here you can find all its features in terms of logistics data, installation manuals, technical information, and other product details.
