High surface-mount box for 1 element ivory Simon 31

REF. **31751-31**

BASIC INFORMATION

DESCRIPTION

This high surface-mounted box has been designed to fit a single element, is finished in ivory and is included in the Simon 31 series. The pieces in this collection have a timeless design, but above all functional, with the aim of adapting to the needs of every home. It is manufactured in thermoplastic in line with the current regulation. It is a very resistant material that can withstand extreme temperatures. It measures 86x86x46.5 mm and can be installed both vertically and horizontally. In terms of maintenance, the manufacturer advises you to use a soft textured cloth dampened in soapy water. If you want the best effect in that corner of your home, choose to combine this piece with rockers and covers colour ivory. The Simon 31 series is a collection of simple lines, designed to integrate into all types of environments.
